HISTORICAL HOUSE IN SIENA

Country house in the Siena hills for sale.

In Casciano di Murlo In a panoramich position on the green farm of Siena interesting and Historical house in original stone. Once was a churce ,of an ancient fortified town, original of 1500.The property is now trasformed in a charming historic villa . Typical tuscan entrance with two cyprees and original steps that take us in the open living area that was a churc we can see it from the original caratteristichs, kitchen in the back , in this floor we have 3 bedrooms with bathrom en suite. Down stairs we have 2 bedrooms with bathrooms en-suite.In this floor we have an indipendent apartment with kitchen,bathroom and bedroom, with separate entrance. The property is sourrounded of 4,5 ha of land with olive trees and swimming pool of 5x10 with beautiful view of the country side and of the beautiful ancient village The renovation is done from the actual owner with the maxium respect for the unique caratteristichs of this properties. From here is possible bright the clean area and the peace of the Siena country side but the property is not isolate and in the area there are numerous other properties restored. and next to the property there is the old village restored recently.
